

**NOTICE**

TO:

Please take Notice that the City Council of the City of McVile, North Dakota, has determined that it has become necessary for the general welfare, public health, fire protection, or public safety to order you, as owner or occupant of the following described property:

**Property located at:** \_\_\_\_\_

to do certain work provided by Section and Ordinances of the City of McVile. The work to be done is as follows:

**Cut, mow, destroy, and remove noxious weeds, grass and other deleterious, unhealthful growths.**

The above-described work is to be completed by \_\_\_\_\_.

Please take further Notice that, if you refuse to conduct or comply, the City of McVile will enter onto the property, remove the weeds, etc, and the costs arising thereof will be assessed against the premises on which work is done, or for which the service is rendered, and collected and returned in the same manner as other municipal taxes are assessed, certified, collected and returned. The cost per yard shall be \$50.00 per hour of time mowed. **In the future, no other notice will be sent once the initial notice is given during the growing season to cut, destroy or remove the grass or weeds.**

Further, that this Notice is not to be construed to limit or affect in any manner, any of the methods which now or in the future may be used by the City of McVile (701)-322-4343 for the collection of costs incurred by the City for the purposes set forth in this Notice.

NOTE:

You will be sent a bill if they City has to mow, you will have 30 days to remit, after that time the amount will be placed on your real estate taxes on any property the McVile City Council chooses which is legally owned by you in Nelson County per North Dakota State Century Code, NDCC 40-05-01.1.

Dated this \_\_\_\_ day of \_\_\_\_\_, 2008

CITY OF MCVILLE
